

ALLMETAL

SCREW PRODUCTS CORP.

About Us

Allmetal Screw Products Corp. has a unique and important history in the US fastener industry. Allmetal was founded in 1929 and quickly became one of the leaders in the manufacture and sale of commercial and military stainless steel fasteners. Our combined warehouses, covering over 25,000 sq. ft. are devoted to fulfilling the needs of our customers. We have a vast inventory of standard and military hardware and the ability to manufacture fasteners to comply with your specifications, covering a wide range of sizes and materials. Our quality management system is certified to ISO 9001: 2015.

“ WE PRIDE OURSELVES IN HAVING OVER 150 YEARS OF COMBINED FASTENER EXPERIENCE. ”

At Allmetal, we pride ourselves in having over 150 years of combined fastener experience designed to provide you with the most product information and prompt service in the industry.
